**Academics, Curricular & Co curricular Activity Report
Academic Year 2022-2023**

MESSAGE FROM THE DIRECTORS DESK

Tilak Maharashtra Vidyapeeth is an Institution that is providing quality education for the last 102 years. Having recently branched out into the field of Pharmaceutical studies, the organization is happy to state that both, the Lokmanya Tilak Institute of Pharmacy and the Lokmanya Tilak Institute of Pharmaceutical Sciences have progressed steadily in academic, curricular and co-curricular areas.

The colleges have modern infrastructure, equipped with the best facilities and equipment which nurture the spirit of excellence in all the students.

The students receive high quality of education that the college has to offer, in addition to this the students are also encouraged to participate in various competition that contribute to their personality, co-curricular and skills development as well. In a very short span, the students have received industry exposure during the numerous field trips and study tours organized by the colleges.

All the students have a good academic standing and the teachers too, take a strong initiative in the form of remedial classes and other mentorship activities conducted by them.

It is my strong belief that when reaching a high benchmark in quality education is never a single person's job. The staff members are the backbone of any organization. The staff members too are very active in the academic and co-curricular activities. They are constantly updating their knowledge and enhancing their skills by participating in various paper presentations, competitions, seminars and conferences.

The colleges also arrange cultural activities that help to bring in more vibrancy and inculcate team bonding and leadership skills among the students.

It has been a fruitful journey for the colleges so far and I am sure that there is lot more success and achievements for both colleges in the coming years!

INDUCTION PROGRAMME 2022-2023

Induction Programme of batch 2022-23 held on 19th and 20th January 23 for newly admitted F Y B Pharmacy & Direct Second Year students included various sessions in order to introduce the students to the pharmacy profession to motivate them to excel the academics.

The induction programme was conducted for two days & theme for all two days was different and addressed by different speakers. Inauguration of two days programme was done by Principal, Poona College of Pharmacy Dr. Atmaram Pawar sir and Director Dr. Pranati Tilak Madam. Dr. Tilak elaborated upon the rich history of TMV and particularly about Lokmanya Bal Gangadhar Tilak. Dr. Tilak told the gathering about how the great freedom fighter had first put forth the Idea of setting up manufacturing plants in India to make our own vaccine. Dr. A. P. Pawar won over the audience with his energetic speech in which he emphasized the need to understand the concept and not learning by rote. Ms. Bharati Motwani of Groomify, talked about the importance of soft skill and self development. The second day started with a talk by Mr. Prashant Agarwal, Director, Tapadiya International Technologies who interacted the student regarding how entrepreneurship can be a fulfilling choice. Last but not the least respected secretary of Tilak Maharashtra Vidyapeeth, Mr. Ajit Khadilkar discuss at length about how discipline can help everyone in achieving life goals. Having the conscience helps people make better choices in life. Also faculty members explained their respective portfolio like Academic, Examination, Cultural and Sports to the students. The objective of the session was to sensitize the first year students in their early days to the institute to set the goal at first year level and to motivate them for future prospects.

Principal welcomed the newly joined students.

SCIENCE EXHIBITION

In order to commemorate invention of “Raman effect” by an Indian physicist Dr. C. V. Raman, Science exhibition was conducted on 23 Mar 2023. The prime objective of the event was to build scientific temperament, innovation and creativity among students. A total of 28 projects were submitted and about 98 students actively participated in the same.

- Consolation prize was bagged by Purva Mahajan, Sachin Kamble, Shweta Kalase from 3rd year B. Pharm. On topic- Smart helmet
- 3rd place was secured by Sakshi Mane, Pritam Pradhan, Pavan Tejankar from 1st year B. Pharm
- 2nd place was secured by Vishal Girbane, Sarika Hipporkar from 2nd year B. Pharm on topic- Plastic sand brick
- 1st place was secured by Gauri Kadam, Gargi Vaidya, Bhakti Randive from 3rd year B. Pharm. Out of all, 3rd year B. Pharm project– QR code on primary packaging of pharmaceutical dosage forms was truly a game changer...

Student were exposed to various clinical Services like Inpatient and Outpatient Services, OT Complex, ICU Complex Supportive Services like blood centre, Physiotherapy, Nuclear Machine, Nursing and Pharmacy services, Various Departments like pharmacology, microbiology and pathology as ultra equipment. The students also learnt about ultra modern equipments available with renowned hospital.

INDUSTRIAL VISIT AT EVEREST PHARMA

Industrial visit was organized on 10th December 2022 at Everest Pharma, Narhe - Dhayari for Third year students. Seventy-five students along with three faculty members visited the premises.

In order to acclimatize with various departments and processes of pharma industry, Mr. Ganesh and Mr. Kasurde toured the students to different departments like manufacturing, quality control and assurance department, primary and secondary packaging department and warehousing unit.

The visit proved to be extremely beneficial for students with cordial assistance of Mr. Verma, Director of Everest Pharma. They got ample knowledge about product formulation and instrument handling by virtue of this industrial orientation.

PATANJALI RESEARCH INSTITUTE VISIT

Educational tour for the students of T. Y B. Pharm was held at Patanjali Research Institute (Herbal Garden Site) and Patanjali Yogpeeth-I in Panchayanpur, Uttarakhand on 12th Mar 2023. The purpose of the tour was exploration and identification of medicinal plants being part of pharmacy curriculum. After reaching the destination, 2 Faculty from Patanjali yogpeeth itself, accompanied our institute's visitors for a tour to Herbal Garden. It was very insightful to know that varied species of medicinal plants and herbs are being used in the treatment of various ailments without any side effects. This visit emphasized and nurtured the intellectual growth and practical knowledge of students

MEDICINAL GARDEN VISIT

S. Y. B. Pharm students visited Medicinal Garden at Regional Ayurvedic Research Institute, Kothrud on 21st Apr 2023, The information of varied medicinal plants and its importance in day to day life was given by Dr. Archana and Dr. Varun.

“Prevention of complications of Diabetes Mellitus”

Guest lecture was arranged on 14th November on account of World Diabetes Day to raise awareness about the growing impact of diabetes on the health of people. Lecture was delivered on topic “Prevention of complications of Diabetes Mellitus” by an eminent Diabetologist Dr. Madan Phadnis at Auditorium Hall at 3.00pm.

Dr. Phadnis elaborated in a very lucid manner the importance of consumption of a balanced food. He made the audience aware of calories contributed by a variety of foods and how we can considerably choose what to eat and what to avoid.

Session On Competitive Exam Preparation

Considering the need of today's students to compete and face challenges of the modern world, and to make them aware of the competitive examinations, LTIPS organized guest lecture on GPAT and meticulous preparation for competitive exam on 16th December 2022. Mr. Mohan Rao Addi, Founder of Academy of Pharmaceutical Excellence (APEX) delivered lecture on GPAT other and examinations viz NIPER, MANIPAL, ICT, NMIMS. The lecture was attended by Second and Third Year students. The source person interacted with the students as how to prepare and study for such exams, what memory techniques can be used to remember the huge data, method of study, use of various website which provide assistance for competitive exam aspirants. The lecture was motivating for all students as many of them interacted personally with him to seek information about their area of interest.

Guest Lecture on Protection of Intellectual Right In Pharma Industry

A guest Lecture was arranged on “Protection of Intellectual Right In Pharma Industry” Adv (Dr) Sheetal Babar who created awareness among students and teachers regarding IPR. Adv. Sheetal Babar explained the basic of IPR, Its Importance types of IPRS & their significance in different sector.

GUEST LECTURE ON PHARMA INDUSTRY FUNCTIONING AND IMPORTANCE OF QUALITY ASSURANCE

LTIPS Pune organized a guest lecture on Wednesday, 07th July 2023 in order to acclimatize students with industry functioning and importance of Quality Assurance in Pharma by Mr. Nitesh Sharma, Head of GMP Compliance at Red Lotus Pharma Pvt.Ltd.

The session was conducted online and was very interactive where the resource person answered our student's questions about the scope of QA. He also outlined professional skills or any certifications required for successful career.

MOTIVATIONAL GUEST LECTURE

“Motivation is what gets you started. Habit is what keeps you going.”

Team LTIPS Pune organized guest lectures on Friday, 12th May 2023 in order to acclimatize the students with varied pharmacy oriented streams.

1) 'Role of HR in organization building' by Dr. Sneha Joshi, Assistant professor, Department of Management, TMV

2) 'Pharma Management, A Lucrative career in India' by Dr. Ambar Beharay, Associate professor, Department of Management, TMV.

Both the sessions were very much elucidative.

Dr. Joshi explained that the career of HR is vast & diverse, as well as hugely impactful. Dr. Beharay focused on sectors related to Management Domain.

PERSONALITY DEVELOPMENT SESSION

"Success is not just about achieving your goals; it's about embracing the journey, the setbacks, and the lessons learned along the way.

Guest lecture was arranged on topic “The blueprint of success for the youth” delivered by Mr. Raghavan Koli, motivational speaker on 1st June 2023. The presenter who himself is a source of motivation gave encouraging examples from his own life & inspired them to be self-motivator. He discussed importance of positive thinking & attitude, to believe in yourself and your abilities. His words were “You have within you the power to create a life that inspires others and leaves a lasting impact”
