

Tilak Maharashtra Vidyapeeth's

LOKMANYA TILAK INSTITUTE OF PHARMACEUTICAL SCIENCES, PUNE

(Approved by PCI and Affiliated to DBATU)

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Vision

To; create a quality-focused culture at the institute by implementing initiatives with support from internal and external stakeholders, ensuring ongoing improvement in higher education standards.

Objective

- Establish a system for deliberate, consistent, and catalytic action to improve academic and administrative performance.
- Promote quality enhancement through internalization of a quality culture and institutionalization of best practices.

Strategies

- Ensure efficient and timely performance of academic, administrative, and financial tasks.
- Design relevant and quality academic and research programs.
- Facilitate equitable access to and affordability of educational programs.
- Optimize modern teaching and learning methods.
- Ensure credibility of assessment and evaluation processes.
- Maintain adequate support structures and services.
- Foster sharing of research findings and collaboration with national and international institutions.

Functions

- Developing quality benchmarks for academic and administrative activities.
- Creating a learner-centric environment for quality education and faculty development.
- Collecting and analyzing feedback from stakeholders on quality processes.
- Disseminating information on quality parameters to stakeholders.
- Organizing workshops, seminars, and promoting quality circles.
- Documenting quality enhancement activities and outcomes.
- Acting as a nodal agency for quality-related activities and dissemination of best practices.
- Establishing an institutional database through MIS for maintaining and enhancing quality.
- Conducting periodic Academic and Administrative Audits and follow-up actions.
- Preparing and submitting the Annual Quality Assurance Report (AQAR) as per NAAC guidelines.

Benefits

- Ensuring clarity and focus in institutional quality enhancement.
- Internalizing a quality culture within the institution.
- Coordinating activities and institutionalizing best practices.
- Providing a sound basis for decision-making and fostering quality changes.
- Building a systematic approach for documentation and internal communication.
